"John Hawaka: A Retrospective"

"Not to be unappreciative, but I cringe when someone says: "Your painting is 'nice'". A "nice" painting does not offend nor does it stimulate. I don't paint to match the colors of your couch or your rug or your drapes--I paint to stimulate. Like my work or not, I hope that the viewer walks away stimulated."

-John Hawaka

Thanks for stopping by. Have a blessed day!
