Showcase for Donated Artwork

Dean Goodman attended an exhibition at the Alfa Art Gallery in New Brunswick where he met and spoke with featured artist Tatiana Soteropoulos. Tatiana is a Greek-Cypriot artist who studied as a Fulbright Scholar at the Columbus College of Art and Design. Vesselin Kourtev, director of the gallery, and Tatiana generously donated this piece from her exhibit to Rutgers. Dean Goodman graciously accepted on behalf of the University.

In front of "For the breath of life is in the sunlight and the hand of life is in the wind" by artist Tatiana Soteropoulos, (l. to r.) Peter Gillies, Director of the New Jersey Institute for Food, Nutrition and Health; Vesselin Kourtev, Director of the Alfa Art Gallery, New Brunswick; Dean Robert Goodman, Executive Dean of the Rutgers School of Environmental and Biological Sciences.
